- 
1. 12 months for checking accounts / 24 months for savings accounts.
  2. Foreign Transaction Fees are 1% of the total transaction amount. This applies to debit card or ATM transactions with a merchant or ATM in a foreign country, whether the transaction is originally made in US dollars or converted from foreign currency.
  3. These fees become effective upon your annual renewal date. Discounts may apply based on your relationship. Not all sizes are available at all locations. Box holders must have a Seacoast Bank Checking or Savings Account. Annual fees are automatically deducted from your Seacoast Checking or Savings Account. Seacoast Bank offers safe deposit boxes at selected banking centers and they are subject to availability. Please stop by or call your local banking center for more information.
  4. Additional Foreign Wire Transfer Fee Information Correspondent bank charges will be deducted from the amount received by the beneficiary. The charge will vary depending on the amount of the wire, ranging from \$10.00 to \$30.00, and is subject to change. These charges apply if a Seacoast correspondent bank is used, however if the sender chooses a different intermediary bank, Seacoast has no control over the amount charged. Also, the beneficiary may be charged a fee for receiving an incoming wire, which is controlled by the beneficiary bank. In addition to the Wire Transfer fees charged, Seacoast retains a nominal spread on the Foreign Exchange (FX) rate provided by our correspondent bank. Upon request, Seacoast will provide you with that spread on the Foreign Exchange (FX) rate.
  5. Additional postage cost may apply for shipping of physical tokens.
  6. For debit card transactions, the date overdrawn is based on the date the transaction was authorized, which may be different from the date the transaction posted.
